# Our Beginner 2&3 Courses

## Our New Advanced Beginner Course

## Our Supervised Practice Sessions

### Beginner 2 Classes

If you are reading about our Beginner 2 program then our Beginner 1, "Taste of Bridge" course did its job. Welcome to our world!!

The Beginner 2 series provides the bidding and play tools you'll want to have to start joining in the fun. We have eight playing sessions a week...mornings, afternoons, evenings, weekends. Your choice. About half way through Beginner 2 you can start making dates with your classmates and with Beginner 2 students from any of the other three sessions going on at other times of the week.

When you're ready to jump in, email us ([honorsbridge@gmail.com](mailto:honorsbridge@gmail.com)) if you'll be needing players to fill out your table. Mo, Benjamin, and Jin are here to make your transition from lessons to play a very enjoyable experience.

The Beginner 2 series meets once a week for six weeks and comes with two of these supervised play sessions free.

Topics include: Basic bidding, Overcalls, Take-Out doubles, and lots of work on play.....\$225.

## Our Beginner 3 Series

Did you use to play bridge regularly but feel the need for a refresher course? Have you already taken a dozen or so bridge classes and played a few times? This series starts you on your way to building a powerful modern bidding system. You'll work on constructive bidding sequences, with emphasis on 1NT responses and rebids, and what it takes to go to the two level in a new suit. You'll also study card play, defensive strategy, and be shown a few ways to signal partner during the play. Four or more practice hands will be played and thoroughly analyzed each week.

Six 2-hour classes and two free practice sessions...\$225.
