Our Beginner 3 Series

Did you use to play bridge regularly but feel the need for a refresher course? Have you already taken a dozen or so bridge classes and played a few times? This series starts you on your way to building a powerful modern bidding system. You'll work on constructive bidding sequences, with emphasis on 1NT responses and rebids,

and what it takes to go to the two level in a new suit. You'll also study card play, defensive strategy, and be shown a few ways to signal partner during the play. Four or more practice hands will be played and thoroughly analyzed each week.

The Beginner 3 series meets once a week for 6 weeks and also includes a free half-month of EASY PASS... \$225
