

ADVANCED BEGINNER COURSE

Once you've completed our Beginner Course series, surprise, you become Advanced Beginners. The Advanced Beginner course works like all our Intermediate and Advanced courses at Honors with each session being completely independent of one another. The complete weekly class schedule of our three Advanced Beginner courses can be found below. Please email the instructor whenever you wish to attend. The two morning classes will begin with different topics. The idea is to have it so that you will be able to jump in at any point along the way. Starting with different topics allows you to take more than one class a week and/or to makeup lessons you may have missed along the way.

Three Ways to Pay

1. Pay as you go. Each class is \$35.
2. Buy an *Advanced Beginner Package* which includes six classes of your choosing and two supervised play sessions. A \$260 value for \$225 (So it is as if one class is free).
3. Join our monthly 'EASY PASS' program (\$130) which entitles you to all of our advanced beginner classes at \$15 each and as many free supervised play sessions as you care to take.
