

ADVANCED BEGINNER COURSE

Once you've completed our Beginner Course series, surprise, you become Advanced Beginners. The Advanced Beginner course works like all our Intermediate and Advanced courses at Honors., meaning you pay by the class with most sessions being completely independent from one another.

The complete weekly class schedule of our three Advanced Beginner courses can be found below. Please email the instructor and let her know whenever you wish to attend.

The two morning classes will begin with different topics. The idea is to have it so that you will be able to jump in at any point along the way.

Starting with different topics allows you to take more than one class a week and/or to makeup lessons you may have missed along the way.

Each class is \$35, but with 'EASY PASS' you can reduce that down to \$10 each.
