

SUPERVISED PRACTICE SESSIONS

It is often a good idea to try one of our supervised practice sessions before joining a class to see what comes back. Practice what you've learned with an instructor or two in a pressure free environment.

Remember: Two separate practice sessions come with both the Beginner 2 and 3 Courses. Beginner 1 and 2 students must come as a group of three or four to these practice sessions. After beginner 2 students can come by themselves to any one of them.

**Some practice sessions come with a short lesson (*).
Morning sessions include breakfast, afternoons include lunch, and
evenings include dinner.....\$25. Reservations not required.**
